Classes for Adults and Students (Ages 13 and Up)

Encaustic Painting \$80
One session: Sunday 10/8, 1-5PM - Guest Instructor: Raina Imig

Explore encaustic paint, an ancient medium making a modern come-back. Learn how to combine beeswax, resin and pigment to create this colorful medium. The beeswax paint, while molten, is applied in many layers. A heat source fuses each layer of encaustic paint to the one beneath. The results are luminous and textured paintings. Additional techniques include additive and subtractive methods such as collage and intarsia for complex surfaces. Participants will leave class with up to four lovely art pieces. Please register by 9/30. Space is limited.

Fused Glass Wall Sconces... All Hardware Included \$95
One Session: Thursday 10/19, 7PM - 10PM

Illuminate your home with a glass wall sconce unlike any other. Construct your art piece with vibrant colors of glass that will be fused then easily mounted to a pre-assembled fixture. The 10" x 10" sconce mounts simply to any wall and plugs into all household outlets. No experience required. Sconces ready for pick up within two weeks of class.

Glass Vases \$55
One Session: Thursday 11/2, 7-9PM

Using layers of glass and ceramic fiber paper, students will craft up to three hanging, fused glass vases that can hang in a window or decorate a wall. Vases hold flowers or other décor and are completely water-proof. Vases will vary in size and the colors will be as unique as the individual making them. All work will be ready for pick up within one week of class.

Fused Glass Pet Portraits \$55
Two Sessions: Sundays 11/12 - 11/19, 2PM - 4PM

Calling all animal lovers, this class is for you! Participants will make a glass portrait of their favorite animal(s) or pet(s). In the first class, students will cut and design the general body shape and background on an 8" x 6" piece of glass. Pieces will be fired after the first week so when you return you can add in depth design elements using frits, stringer and glass paints that make your animal look just like the photo you brought to class. The finished product will be fired a second time and ready for pick up within one week of class.

Fused Glass Jewelry \$125
4 sessions: Mondays 11/20 - 12/11, 7-9PM

Glass jewelry looks fabulous on everyone and when you get to be the designer, you can show off your great style. In this 4 week class, you will learn the basic skills of glass fusing as well as many different techniques to make incredible one of a kind pieces. Make earrings, pins, pendants, and bracelets then finish your work with bails and simple soldering techniques. Each week you will have the opportunity to design, cut and fuse your work while making dozens of pieces to keep for yourself or give away as gifts.

Reserve the studio for a class just for your company...or... Create your own class.

All glass classes can be scheduled for your group of 8 or more students.

Several Class Dates Available:
• Tuesday, 10/17, 7PM - 9:30PM
• Wednesday, 11/8, 7PM - 9:30PM

Did you know that making art reduces stress? Hey...so do friends. Mix the two and what do you get? Friend's Fired Up. An evening of art-making, wine, food and friends. During class, participants will learn how to make a square, sushi style, 8-inch fused glass plate all while sipping wine, eating tasty hors d'ouvres and catching up with friends. (These plates are sold in stores for \$80-\$100 each.) You will learn the basics of glass cutting, glass fusion, and simple design elements to create your own eye-catching work of art ready for the dinner table. Plates are fired and slumped after class, and will be ready for pick up one week later. Sign up today and find out why people keep coming back for this fun filled class.

BIG Fused Glass Platter \$110
(Price Includes all materials, food and beverages)
1 Session: Friday 11/3, 6:30 - 10PM

This class is similar to "Friends Fired Up" where you enjoy wine and hors d'ouvres while making art with friends. The difference is that you get to make a 14 inch round or square platter instead of a small plate. There are several styles of platters to choose from, the only thing missing is your inspired design. Need a cookie tray for all those holiday sweets? What about an elegant platter to hold the festive turkey? Come and create a masterpiece that will impress your friends for years to come. (Platters ready within 2 weeks of class)

Classes for Families and Singles (Ages 4 and Up)

Halloween Jewelry for Your Little Ghou! \$25 (Parents don't need to pay)
One Session: Sunday 10/15, 1PM - 3PM

Parent and Child will work together to create creepy jewelry to delight all who see it. Witches, bats, ghosts and goblins can all be made into fused glass pendants, pins, and earrings. Participants will be taught basic glass cutting and fusing techniques. Jewelry will be ready for pick up 5 days after class. (All children under 13 must attend class with an adult)
